

## Create Your Own Small Group ACT / SAT !

Are you interested in a small group ACT / SAT prep group but the Sat morning offering(s) just don't work for you?

No problem! We can do these classes on different days and different times. All you need is 3 people or more in your group!

Call 412-600-1125 to discuss options.

Although spring is when most juniors take ACT / SAT, they are offered in the fall and winter as well. Summer can be a great time to take a prep class.

1 on 1 tutoring is also available for students enrolled in small group prep classes. They cost more but they really can help with fine tuning your skills. Consider the small group classes first, then if you need more prep, try 1 on 1 prior to the next test date.

When deciding when to prepare and take ACT / SAT, take into consideration your sports, work and class schedules. You may not want to take the SAT in May if you have a heavy AP class load and track and field and are on the Prom planning committee.
