## Why take an exam prep course?

- 1) WV residents: the Promise Scholarship (up to \$4750/yr) is a big incentive. You need a composite score of 1100 with a minimum 510 in Math and 540 Reading/Writing.
- 2) All college bound students: higher composite scores increase the number of colleges into which you can gain admission. Also, the higher your score, the more academic scholarships you may receive.
- 3) The skills learned in the course are important for high school and college success!

## Small Group SAT Prep Course

### Topics to be covered:
